

## **2005.5 Over The Edge Newspaper Society fonds – Finding Aid**

---

UNBC *Over the Edge* fonds. – 1993 – 2005. 27.8 cm of textual records.

A collection of 128 copies of the 144 copies of the UNBC student newspaper *Over the Edge*, dating from its first newsletter format issues from 1993, to the scheduled finished print run during the 2004/2005 university semester. This also includes the first volume of the bi-monthly arts magazine *Edge*. *Over the Edge* was established in 1993 as the first student media publication available at the UNBC Prince George Campus. Its first occurrence was in 1993 when 3 issues of a newsletter called *Over the Edge* were published on standard 22 x 28 cm letter paper. The following year in 1994, *Over the Edge* became an officially published newspaper that was affiliated with and financed by NUGSS, the UNBC undergraduate student society. It was published through the Prince George Citizen Newspaper on standard 30 x 36 cm newsprint. *Over the Edge* was published by the Prince George Citizen until the 2003/2004 school year when the then Editor-in-Chief Kathleen DeVere changed the publishing and printing company to Cariboo Printers through the Prince George Free Press, changing the size of the newsprint to 31 x 41 cm. The *Over the Edge Student Newspaper Society* was created when autonomy was gained from the undergraduate student society (NUGSS) under the editorship of Carolynne Burkholder in January 2005, and the students agreed to finance the *Over the Edge Student Newspaper Society* through a direct fee at a referendum in October, 2004.

All of the publications acquired in this fonds had been kept in storage at the Over the Edge Newspaper Society office, having been held there by the Society since its creation in 1994. The Northern BC Archives acquired this material on September 28<sup>th</sup>, 2005.

The fonds consists of 128 issues of the original 141 issue print run of the University of Northern British Columbia Student Newspaper *Over the Edge* and *Edge*, dating from October 17, 1994 to April 6<sup>th</sup>, 2005. These issues include one of the three newsletters; dating November 1<sup>st</sup>, 1993. The issues contain entertainment articles, photographs, letters, and editorials that deal with university life, politics, and events; as well as local events and some national and international events that pertained to student life and entertainment.

The title of the fonds is based on the title of the newspaper
