

SERIES DESCRIPTION

Dates of Creation: 1887-1992

Physical Description: 79 cm of textual records and other material; 1 map; 4 plans

Administrative History: The Miscellaneous Railway History Material series comprises material created or used by several railway companies, unions and organizations. The following organizations have created a significant portion of the materials:

Intercolonial Railway- Also known as the Intercolonial Railway of Canada, the railway operated between 1872 and 1918 in Nova Scotia, New Brunswick and Quebec as one of Canada's first crown corporations. The Intercolonial Railway was one of five railways that became Canadian National Railways in 1919.

General Note: Administrative history based upon [Wikipedia](#) entry

West Coast Railway Association- The West Coast Railway Association (WCRA) is a nonprofit society, incorporated in 1961, dedicated to preserving rail history and heritage in British Columbia. One of the largest nonprofits in BC, the society provides rail tours and exhibitions, and operates in Squamish, BC.

General Note: Administrative history based upon society's "[About the WRCA](#)" webpage

Quebec North Shore & Labrador Railway- Abbreviated as QNSX, the railway encompasses a 414 km stretch of track through the wilderness of North Eastern Quebec and Labrador. The rail has been operating since 1954 and is privately owned by Rail Enterprises. A rail line, referred to as the Northern Land Company Limited, connecting Labrador City to the Quebec North Shore and Labrador Railway's mainline, and was completed in 1960.

General Note: Administrative history based upon [Wikipedia](#) entry and the [Iron Ore Company of Canada website](#)

Northern Alberta Railways- The Northern Alberta Railways operated in Northern Alberta and Northeastern British Columbia between 1929 and 1981. The railway, still in use, is currently owned jointly by Canadian National Railways and Canadian Pacific Railway.

General Note: Administrative history based upon [Wikipedia](#) entry

Guilford Transportation Industries- Currently Pan Am Railways (a division of Pan Am Systems), Guilford Transportation Industries was a privately owned American company established in 1977. The Guilford Rail Division encompassed multiple railways: the Boston and Maine Corporation, Maine Central Railroad Company, Portland Terminal Company, and the Springfield Terminal Railway Company.

General Note: Administrative history based upon [Wikipedia](#) entry

Southern Pacific Company- The Southern Pacific Company, or the Southern Pacific Transportation Company, serviced the South and Southwestern regions of the United States from 1865 to 1996. The company was succeeded by Union Pacific.

General Note: Administrative history based upon [Wikipedia](#) entry

Brotherhood of Locomotive Firemen and Enginemen- The society was established as the Brotherhood of Locomotive Firemen in 1873 as a North American railroad fraternal benefit society. The name was changed to the Brotherhood of Locomotive Firemen and Enginemen in 1909, to acknowledge many of the union members' promotions to Enginemen. The society merged with three other railway organizations to become the United Transport Union in 1969.

General Note: Administrative history based upon [Wikipedia](#) entry

Brotherhood of Maintenance of Way Employees- Founded in 1887, the brotherhood is an American national union representing workers who build and maintain track and other rail structures. The brotherhood merged with the International Brotherhood of Teamsters in 2004.

General Note: Administrative history based upon [Wikipedia](#) entry

Brotherhood of Railway Trainmen- A labour organization for railroad employees founded in 1883 as the Brotherhood of Railroad Brakemen. The original mandate was to provide insurance for members. The brotherhood merged with three other railway organizations to become the United Transport Union in 1969.

General Note: Administrative history based upon [Wikipedia](#) entry

United Transportation Union- Formed on January 1st, 1969, the union, still operating today, is the conglomerate of three railroad fraternal societies and a Switchmen's union: the Brotherhood of Locomotive Firemen and Enginemen, the Brotherhood of Railroad Trainmen, the Order of Railway Conductors and Brakemen, and the Switchmen's Union of North America.

General Note: Administrative history based upon [Wikipedia](#) entry

Association of American Railroads- The Association of American Railroads is a trade association representing the major freight railroads of North America (including Mexico). Some passenger railroads are also members. The association has been active since 1934.

General Note: Administrative history based upon [Wikipedia](#) entry

Pacific & Arctic Railway- Is an American railway company that operated an isolated route through British Columbia, the Yukon and Alaska that was built during the Klondike Gold rush. The rail line operated commercially from 1900 to 1982 and reopened in 1988 as the historic White Pass Route.

General Note: Administrative history based upon [Wikipedia](#) entry

Scope and Content: The Miscellaneous Railway History Material series consists of material created by various societies, companies, railways, unions and government branches for the use and instruction of railway companies and employees. Includes publications, time tables, training materials, union materials, forms, maps and plans related to rail operations in North and South America, but predominately related to Canadian railway operations. Also comprises material created by several American and Canadian railways and transportation companies.

Notes: - *Source of supplied title:* Title based on contents of records.
- *Terms governing reproduction and use:* Restricted materials within the series. Contact archivist.
- *Language note:* Some material in French

SUBSERIES DESCRIPTIONS

Subseries 6.1 – 2002.1.6.1: Canadian Railways

Dates of creation: 1887-1992

Physical description: 3.5 cm of textual records

Scope and content: Subseries contains material created by various Canadian railways. Includes forms, condensed profiles, time tables and promotion material.

Notes: - *Source of supplied title:* title based on contents of subseries.

- *Terms governing reproduction and use:* Restricted materials within the subseries. Contact archivist.

Subseries 6.2 – 2002.1.6.2: American Railways

Dates of creation: 1967, 1987

Physical description: 1.5 cm of textual records

Scope and content: Subseries contains material created by two American transportation companies: the Southern Pacific Company and the Guilford Transportation Industries Rail Division. Includes time tables and instructions.

Notes: - *Source of supplied title:* title based on contents of subseries.

Subseries 6.3 – 2002.1.6.3: Employee Training

Dates of creation: 1950-1975

Physical description: 9.5 cm of textual records

Scope and content: Subseries contains employee training and instruction materials for general rail operations.

Notes: - *Source of supplied title:* title based on contents of subseries.

- *Terms governing reproduction and use:* Restricted materials within the subseries. Contact archivist.

Subseries 6.4 – 2002.1.6.4: Employee Time Books

Dates of creation: 1913-1974

Physical description: 7 cm of textual records

Scope and content: Subseries contains employee time books and payroll ledgers developed by various companies and union groups for the use of rail workers and railways. Includes a time and payroll ledger used by Magofin Bergh & co., a railway construction contractor.

Notes: - *Source of supplied title:* title based on contents of subseries.

- *Terms governing reproduction and use:* Restricted materials within the subseries. Contact archivist.

Subseries 6.5 – 2002.1.6.5: Union

Dates of creation: 1914-1982

Physical description: 6 cm of textual records and 1 poster

Scope and content: Subseries contains publications and charters developed by various unions representing Canadian and American railway workers. Includes union newspapers, pamphlets, constitutions, medical and dental plan information, and union ephemera.

Notes: - *Source of supplied title:* title based on contents of subseries.

- *Terms governing reproduction and use:* Restricted materials within the subseries. Contact archivist.

Subseries 6.6 – 2002.1.6.6: Publications

Dates of creation: 1915-1985

Physical description: 43.5 cm of textual records

Scope and content: Subseries contains publications created for the use of railroads in North and South America. Includes publications pertaining to railway equipment, machinery, safety, maintenance and other subjects related to railway industry and labour.

Notes: - *Source of supplied title:* title based on contents of subseries.

Subseries 6.7 – 2002.1.6.7: Ephemera

Dates of creation: 1901-1991

Physical description: 3.5 cm of textual records

Scope and content: Subseries contains ephemera created and used by various railways and railway associations. Includes invitations, pamphlets, advertisements, a petition, and other ephemera materials related to railways in North America.

Notes: - *Source of supplied title:* title based on contents of subseries.

Subseries 6.8 – 2002.1.6.8: Forms

Dates of creation: 1902, 1969

Physical description: 3 cm of textual records

Scope and content: Subseries contains used and unused railway and financial forms.

Notes: - *Source of supplied title:* title based on contents of subseries.

Subseries 6.9 – 2002.1.6.9: Railway History

Dates of creation: 1974-1984

Physical description: 1.5 cm of textual records

Scope and content: Subseries contains material pertaining to the history of railway in Northern British Columbia.

Notes: - *Source of supplied title:* title based on contents of subseries.

- *Terms governing reproduction and use:* Restricted materials within the series. Contact archivist.

Subseries 6.10 – 2002.1.6.10: Maps and Plans

Dates of creation: 1904-1988

Physical description: 1 map; 4 plans

Scope and content: Subseries contains maps and plans depicting railway sites in British Columbia and the Yukon.

Notes: - *Source of supplied title:* title based on contents of subseries.

FILE LIST**Subseries 6.1: *Canadian Railways* *Restricted*****Box #46**

2002.1.6.1.1	Intercolonial Railway, 31 Aug. 1887-23 Apr. 1889 [0.5 cm of textual records] File consists of seven Intercolonial Railway, traffic department, transportation of goods or merchandise forms. The forms detail transportation agreements between Intercolonial Railway and several individuals and companies.
2002.1.6.1.2	Westcoast Railway Association, 1992 [1 cm of textual records] *Restricted* File consists of material related to the Westcoast Railway Association Line Tour (30 May 1992-7 June 1992) and the Westcoast Railway Association BC Rail System Tour: Fall '92 (12-20 Sept. 1992). Includes Interoffice memorandum, a detailed itinerary, and a hotel reservation list. Also comprises correspondences between Chuck Hayward and passengers of the West Coast Railway Association Fall 1991 Rail Tour. Some items in the file have been restricted because they contain address information. <i>6 photographs have been removed to PGRFM Collection Photographs series (2002.1.9)</i>
2002.1.6.1.3	Quebec North Shore & Labrador Railway, Dec. 1960, 1975 [1 cm of textual records] File consists of two "Condensed Profile" booklets for Quebec North Shore & Labrador Railway, one dated Dec. 1960 and the other 1975.
2002.1.6.1.4	Northern Land Company Limited, Dec. 1960 [0.5 cm of textual records] File consists of a "Condensed Profile" of Northern Land Company Limited, a railway line in Northern Quebec and Labrador.
2002.1.6.1.5	Northern Alberta Railways, 25 Apr. 1971 [0.5 cm of textual records] File consists of time table 69 taking effect at 0001 Sunday, April 25, 1971 for the information and guidance of employees only.

Subseries 6.2: *American Railways***Box #46**

2002.1.6.2.1	Timetables and instructions, 1987 [1 cm of textual records] File consists of "System Timetable No. 1" and general instructions for Guilford Transportation Industries Rail Division, Maine Central Railroad Company, Boston & Maine Corporation, Delaware & Hudson Railway Company, and Springfield Terminal Railway Company.
2002.1.6.2.2	Southern Pacific Company, 4 June 1967-9 June 1967 [0.5 cm of textual records] File consists of a Southern Pacific Company "Timetable Bulletin no. 2, Timetable no.1, Special Instructions No.14, Los Angeles Division" and filled clearance and train order forms within the division.

Subseries 6.3: Employee Training *Restricted*

Box #46

2002.1.6.3.1	<p>“Looking Ahead and Getting Ahead in Railroading”, [19-?] [0.5 cm of textual records] File consists of an advertisement and course listing for International Correspondence Schools in Scranton, Pa. and International Correspondence Schools Canadian.</p>
2002.1.6.3.2	<p>“Book VI Internal-Combustion Locomotive Engineers: Examination with Questions and Answers Including Diesel and Diesel-Electric”, July 1950 [0.5 cm of textual records] File consists of an examination booklet developed by the Province of British Columbia Railway Department.</p>
2002.1.6.3.3	<p>The Southern Alberta Institute of Technology, 1975 [3 cm of textual records] File consists of a power engineering correspondence course through the Southern Alberta Institute of Technology.</p>
2002.1.6.3.4	<p>Certificate of competency, 23 July 1970 [0.5 cm of textual records] File consists of a certificate awarded to Harold S. Unwin from the Province of British Columbia Department of Commercial Transport. The certificate is for Diesel Electric Locomotive Engineer. <i>see Canadian Pacific Railways series accession 2002.1.5.3 for related material</i></p>
2002.1.6.3.5	<p>University of British Columbia extension department, 1959-1961 [5 cm of textual records] *Restricted* File consists of a UBC courses on freight management. The large compendium, titled “Traffic Management,” contains exams, notes, reading lists, grades and correspondence from UBC to student F. Roy Dawson. Many of the questions and exams have been filled out by Dawson. File is restricted because of the inclusion of personal and address information.</p>

Subseries 6.4: Employee Time Books

Box #47 and O/S room box #77

2002.1.6.4.1	<p>Railway employee’s time book, [1947?] [0.5 cm of textual records] File consists of a railway employee’s time book, Alberta divisions.</p>
2002.1.6.4.2	<p>Railway employee’s time book, 1952-1953 [0.5 cm of textual records] File consists of a railway employee’s time book for Prince Rupert, Terrace, Smithers, Burns Lake, and Prince George, B.C.</p>
2002.1.6.4.3	<p>Time book for railway engineers, firemen, conductors or brakemen, 1940-1941 [0.5 cm of textual records] File consists of a time book from the Globe Indemnity Company of Canada.</p>

2002.1.6.4.4	Time book, 1972-1974 [1.5 cm of textual records] File consists of two time books created by the United Transportation Union.
2002.1.6.4.5	Railroad worker's time book, [197-?] [1 cm of textual records] File consists of a railway employee's time book. (3 copies)
2002.1.6.4.6	Enginemen's time book, 1961-1962 [1 cm of textual records] File consists of a time book from the Brotherhood of Locomotive Firemen and Enginemen. Partially filled.
2002.1.6.4.7	Time and payroll book, 30 June 1913-30 Nov. 1913 [2 cm of textual records] File consists of a time and payroll ledger used by Magoffin Bergh & Co, a railway construction contractor. Magoffin Bergh & Co were contractors for the Grand Truck Pacific Railroad's construction and had a camp at mile 162. They also did contract work for the American railroad Great Northern Railway. [O/S room box #77]

Subseries 6.5: Union *Restricted*
Box #47 and large map cabinet drawer 18

2002.1.6.5.1	"Dental Plan for Employees of Canadian Railways", 15 Dec. 1979 [0.5 cm of textual records] File consists of a union guide to dental plans for Canadian Railway workers. The publication is in English and French and includes a list of eligible Canadian Railways.
2002.1.6.5.2	"Constitution and By-Laws of the Brotherhood of Maintenance and Way Employes", 1970, 1982 [2 cm of textual records] *Restricted* File consists of the "Constitution and By-Laws" of the Brotherhood of Maintenance of Way Employes. One copy was revised and amended in 1970 and the other in 1982. File is restricted because one copy contains name and address information. (2 copies)
2002.1.6.5.3	"Schedule of Paydays", 1967 [0.5 cm of textual records] File consists of a Brotherhood of Railway Trainmen "Schedule of Paydays for 1968".
2002.1.6.5.4	United Transportation Union pamphlets, [19-?] [0.5 cm of textual records] File consists of two pamphlets created by the United Transportation Union pertaining to caboose-less trains: "The Unveiling of the Myths of Cabooseless Trains", and "The Unmasking of the Myths of Cabooseless Trains." Both pamphlets are in English and French.
2002.1.6.5.5	Transportation Employees Canadian Union, 1973 [0.5 cm of textual records] *Restricted* File consists of membership materials for the Transportation Employees Canadian Union and includes: a membership card, a member's receipt book, memorandum "To All Members" dated Nov. 1973 and a letter to members from the TECU national secretary-treasurer. File is restricted because address information is displayed.

2002.1.6.5.6	“Constitution & By-Laws”, Dec. 1914 [0.5 cm of textual records] File consists of the Local Freight Agents’ Association of Regina Saskatchewan “Constitution and By-Laws” organized Dec. 1914.
2002.1.6.5.7	Charter, 23 Apr. 1915 [0.5 cm of textual records] File consists of a union charter created by the Grand Lodge of the Brotherhood of Railroad Trainmen.
2002.1.6.5.8	“The Locomotive Engineer Official Weekly”, 9 Dec. 1966, 17 May 1974 [0.5 cm of textual records] File consists of vol. 100 no. 48 (9 Dec. 1966) and vol. 108 no. 20 (17 May 1974) of the Brotherhood of Locomotive Engineers’ newspaper <i>The Locomotive Engineer Official Weekly</i> .
2002.1.6.5.9	“Canadian Railwayman”, 30 Sept. 1969 [0.5 cm of textual records] File consists of vol. 4 no. 17 of the <i>Canadian Railwayman</i> , published by unions representing railroad, airline and other workers.
2002.1.6.5.10	“22nd Tri-Annual Convention of the United Brotherhood of Railway Maintenance of Way Employes—Held at Detroit September 1925 Assembled at the Headlight Overall Factory”, 1925 [1 poster : b&w print ; 96.5 cm x 28 cm] Poster depicts participants at the 22 nd Tri-Annual Convention of the Brotherhood of Railway Maintenance of Way Employes. The participants are posed in front of the Headlight Union Made Overalls factory in Detroit. [Large map cabinet drawer 18, folder 11]

Subseries 6.6: *Publications***Box #47-51**

2002.1.6.6.1	“Uniform Code of Operating Rules”, 1962 [2 cm of textual records] File consists of two copies of “Uniform Code of Operating Rules,” revision of 1962, approved and prescribed by the Board of Transport Commissioners for Canada by General Order no. 873, dated the 15 th day of November, 1961.
2002.1.6.6.2	“The no. 3-T Triple Valve Test Rack Code of Tests”, Apr. 1945 [0.5 cm of textual records] File consists of instruction pamphlet no. 5039-3 copyrighted by Westinghouse Air Brake Company and adopted by the Association of American Railroads.
2002.1.6.6.3	Funk & Wagnalls Company, 1915, 1923 [1 cm of textual records] File consists of two speech booklets published by Funk & Wagnalls Company: “Faulty Diction” 1915 and “Better Say” 1923.
2002.1.6.6.4	“Train Derailment Biggest in Houston History”, 1 Aug. 1984 [0.5 cm of textual records] File consists of a newspaper clipping from <i>Houston Today</i> .

2002.1.6.6.5	<p>“Regulations Respecting the Handling, Offering for Transport and Transporting of Dangerous Goods”, 6 Feb. 1985 [2.5 cm of textual records] File consists of a Canadian publication “Regulations Respecting the Handling, Offering for Transport and Transporting of Dangerous Goods”, extracted from the Canada Gazette Part II.</p>
2002.1.6.6.6	<p>“Emergency Handling of Hazardous Materials in Surface Transportation”, 1981 [3.5 cm of textual records] File consists of a Bureau of Explosives publication “Emergency Handling of Hazardous Materials in Surface Transportation”, edited by Patrick J. Student.</p>
2002.1.6.6.7	<p>“Regulations for the Transportation of Dangerous Commodities by Rail”, 30 Nov. 1962 [4 cm of textual records] File consists of Board of Transport Commissioners for Canada “Regulations for the Transportation of Dangerous Commodities by Rail.”</p>
2002.1.6.6.8	<p>“Regulations for the Transportation of Dangerous Commodities by Rail: Amendment Services”, 1982-1984 [0.5 cm of textual records] File consists of three amendments by the Canadian Transport Commission, it includes: “First Amendment” 19 Nov. 1982; “Third Amendment” 13 Dec. 1983; and “Fourth Amendments” 18 Jan. 1984.</p>
2002.1.6.6.9	<p>“These Wheels Must Turn: A Handbook of Safety Practices for Railroad Officers and Employees”, 1964 [0.5 cm of textual records] File consists of an Association of American Railroads publication “These Wheels Must Turn: A Handbook of Safety Practices for Railroad Officers and Employees” safety section, 1964 revision.</p>
2002.1.6.6.10	<p>“Handbook of Occupational Health and Safety”, 1978 [2 cm of textual records] File consists of a Treasury Board of Canada health and safety publication “Handbook of Occupational Health and Safety,” second edition.</p>
2002.1.6.6.11	<p>“Code of Rules for Handling Perishable Traffic: For the Use of Railway Employees Only”, 1 June 1968 [1 cm of textual records] File consists of the Railway Association of Canada publication “Code of Rules for Handling Perishable Traffic” revised edition effective June 1, 1968. (2 copies)</p>
2002.1.6.6.12	<p>“Accounting Circulars nos. 8, 9, 10 and 11”, 1 Mar. 1977 [0.5 cm of textual records] File consists of the Canadian Transport Commission Railway Transport Committee publication “Accounting Circulars Nos. 8, 9, 10 and 11.”</p>
2002.1.6.6.13	<p>“The Station Agent’s Blue Book: Station Accounting, Transportation Tariffs and Station Operation”, 1958 [4.5 cm of textual records] File consists of an Order of Railroad Telegraphers publication “The Station Agent’s Blue Book” by O. B. Kirkpatrick.</p>

2002.1.6.6.14	<p>“Hand Book of Recommendations and Suggestions for the Protection of Railroad Property and Prevention of Fire Losses Therein”, 1925 [2 cm of textual records]</p> <p>File consists of Railway Protection Association publication “Hand Book of Recommendations and Suggestions for the Protection of Railroad Property and Prevention of Fire Losses Therein” for the use of railroad officials, railroad fire inspectors and fire marshals, superintendents, engineers, architects, master mechanics and agents and all employees in charge of railway property.</p>
2002.1.6.6.15	<p>“Uniform Classification of Accounts for Class I Common Carriers By Railway”, 1959 [1.5 cm of textual records]</p> <p>File consists of Board of Transport Commissioners for Canada publication “Uniform Classification for Accounts for Class I Common Carriers by Railway.”</p>
2002.1.6.6.16	<p>“The Official Guide of the Railways: And Steam Navigation Lines of the United States, Puerto Rico, Canada, Mexico and Cuba”, June 1969 [3.5 cm of textual records]</p> <p>File consist of the National Railway Publication Company monthly publications “The Official Guide of the Railways” Golden Spike Centennial Issue, 102nd year no. 1.</p>
2002.1.6.6.17	<p>“The Official Guide of the Railways and Steam Navigation Lines of the United States, Puerto Rico, Canada, Mexico and Cuba, Also Time-Tables of Railroads in Central America, Air-Line Schedules”, Feb. 1966 [3.5 cm of textual records]</p> <p>File consists of the National Railway Publication Company monthly publication “The Official Guide of the Railways” 98th year no. 9.</p>
2002.1.6.6.18	<p>“Electrical Maintenance Manual”, [1951?] [4 cm of textual records]</p> <p>File consists of an American Locomotive Company and General Electric Company “Electrical Maintenance Manual” for road locomotives with model 244 engines.</p>
2002.1.6.6.19	<p>“Rules Governing the Loading of Steel Products Excluding Pipe on Open Top Cars”, 1 Sept. 1950 [1.5 cm of textual records]</p> <p>File consists of the Association of American Railroads Operations and Maintenance Department, Mechanical Division publication “Rules Governing the Loading of Steel Products Excluding Pipe on Open Top Cars,” pamphlet no. MD-1.</p>
2002.1.6.6.20	<p>“Rules Governing the Loading of Forest Products on Open Top Cars”, 1 May 1953 [1 cm of textual records]</p> <p>File consists of the Association of American Railroads Operations and Maintenance Department, Mechanical Division publication “Rules Governing the Loading of Forest Products on Open Top Cars,” pamphlet no. MD-3.</p>
2002.1.6.6.21	<p>“Rules Governing the Loading of Miscellaneous Commodities on Open Top Cars”, 1 July 1951 [1.5 cm of textual records]</p> <p>File consists of the Association of American Railroads Operations and Maintenance Department, Mechanical Division publication “Rules Governing the Loading of Miscellaneous Commodities on Open Top Cars,” pamphlet no. MD-5.</p>

2002.1.6.6.22	“Rules Governing the Loading of Road Grading, Road Making, and Farm Equipment Machinery on Open Top Cars”, 1 Mar. 1952 [1 cm of textual records] File consists of the Association of American Railroads Operations and Maintenance Department, Mechanical Division publication “Rules Governing the Loading of Road Grading, Road Making, and Farm Equipment Machinery on Open Top Cars,” pamphlet no. MD-6.
2002.1.6.6.23	“Rules Governing the Loading of Department of Defense Materiel on Open Top Cars”, 15 May 1955 [0.5 cm of textual records] File consists of the Association of American Railroads Operation and Maintenance Department, Mechanical Division publication “Rules Governing the Loading of Department of Defense Materiel on Open Top Cars,” supplement no. 1 to pamphlet MD-7.
2002.1.6.6.24	“Handling Collisions and Derailments Involving Explosives, Gasoline and Other Dangerous Articles: Recommended Good Practice”, Jan. 1957 [0.5 cm of textual records] File consists of an Association of American Railroads, Bureau of Explosives publication “Handling Collisions and Derailments Involving Explosives, Gasoline and Other Dangerous Articles: Recommended Good Practice,” B.E. Pamphlet no. 22.

Subseries 6.7: *Ephemera***Box #51**

2002.1.6.7.1	Project ‘92, [1991?] [0.5 cm of textual records] File consists of an invitation to the 50 th Anniversary celebration of the Alaska Highway construction.
2002.1.6.7.2	Railroad Bicycle Advertisements, [1901?] [0.5 cm of textual records] File consists of two advertisements: a railway cycle attachment and an acetylene gas bicycle lamp.
2002.1.6.7.3	Petition, [19-?] [0.5 cm of textual records] File consists of a blank petition for residents of British Columbia to the House of Commons of Canada pertaining to the government monitoring of dangerous rail freight.
2002.1.6.7.4	“Elmer the Safety Elephant’s Railway Safety Activity Booklet”, [1988?] [0.5 cm of textual records] File consists of a children’s activity booklet for rail safety, developed by the Canada Safety Council.
2002.1.6.7.5	Card, 1975 [0.5 cm of textual records] File consists of an Association of American Railroads card “How to Judge Speed of Car Approaching Coupling.”
2002.1.6.7.6	“Can you Make the Grade?” [1989?] [0.5 cm of textual records] File consists of an Operation Lifesaver pamphlet pertaining to railway safety.
2002.1.6.7.7	“Dawson Creek: Mile ‘0’ on the Alaska Highway, [ca. 1950s] [0.5 cm of textual records] File consists of a pamphlet advertising Dawson Creek, B.C.

Subseries 6.8: *Forms*

Box #51 and O/S room box #78

2002.1.6.8.1	Customs Canada, July 1902 [0.5 cm of textual records] File consists of three Customs Canada export-entry forms.
2002.1.6.8.2	Receipt, 21 July 1902 [0.5 cm of textual records] File consists of a receipt from Dealers in Petroleum and its Products.
2002.1.6.8.3	Station index car record book, 1969 [ledger 33 cm x 38 cm : 2cm of textual records] File consists of a ledger containing form 962, Station Index Car Record. [O/S room box #78]

Subseries 6.9: *Railway History* *Restricted*

Box #51

2002.1.6.9.1	“History of Rail”, Feb. 1984 [1 cm of textual records] File consists of a transcript of a presentation on railway history held at the Prince George Public Library in 1984. Speakers include Keith Gordon (host), Gravin Moles, Ted Williams, Bob Harkins, Bruce Douglas, Margaret Humphries, June Van Der Mark, and Alex Clapperton.
2002.1.6.9.2	‘Last Spike’ letter, 11 Mar. 1974 [0.5 cm of textual records] *Restricted* File consists of a letter from R.A. Harlow to the editor of the Prince Rupert Daily News. The letter pertains to Harlow’s memories of the ‘Last Spike’ of the Grand Trunk Pacific Railway in Prince Rupert. File is restricted because of address information on the letter.

Subseries 6.10: *Maps and Plans*

Large map cabinet drawer 18 and O/S room box #86

2002.1.6.10.1	“VHF Land Public Radiotelephone Service in British Columbia ‘Mobitel’”, 18 Aug. 1988 [1 map : 61 cm x 52 cm] Map depicts radiotelephone service throughout British Columbia. Channel numbers are listed for Prince George, Burns Lake and Houston. Handwritten annotations are made on the map. Created by B.C. Tel. [Large map cabinet drawer 18, folder 11]
