

Grant Hazelwood fonds (2023.7)

Archival finding aid

Fonds Summary Information

Title:	Grant Hazelwood fonds
Accession #:	2023.7
Date:	1943-2015
Extent:	1.25 m of textual records. -- 22 maps.
Biographical Sketch:	W. Grant Hazelwood was a wildlife biologist who had an extensive career in Northern and Central British Columbia with BC Parks, Northwood Pulp & Timber Ltd., the BC Ministry of Environment, and his own consultancy business Alpenglow Resources Ltd. He also served as Director of the B.C. Wildlife Federation and as Manager of the Deep Creek Hatchery in Terrace, BC. Hazelwood was also active with the Terrace Salmonid Enhancement Society and other environmental non-profit organizations.
Scope and Content:	Fonds consists of material created and collected by wildlife biologist Grant Hazelwood in relation to his work and research regarding wildlife, habitat, and wilderness parks. Includes material regarding Hazelwood's Tailed Frog (<i>Ascaphus truei</i>) research. Also includes records regarding his contracted biologist work via his consultancy business, Alpenglow Resources, on the BC Ministry of Environment's "Upper Nass Assessment Project", a project that included the biophysical mapping of the Northwest-Klappan Road Access Area.
Custodial History:	Donated to UNBC via Professor Phil Burton, UNBC Terrace campus ca. 2016
Arrangement Note:	Arranged by the archivist.
Digitization Status:	Some digitized versions of reports in this fonds are available through the BC EcoCat Ecological Reports Catalogue which can be found online at: https://a100.gov.bc.ca/pub/acat/public/welcome.do This material is not digitized by Northern BC Archives nor is the digitized material hosted by Northern BC Archives. Access is provided via links in the archival database to EcoCat.
Restrictions:	No restrictions.
Finding aids:	The full finding aid for the Grant Hazelwood fonds can be found online through the Northern BC Archives database at: https://search.nbca.unbc.ca/index.php/2023-7

Series 1: Tailed Frog (*Ascaphus truei*) research

Dates: 1991-2000

Extent: 10 cm of textual material. -- 3 maps.

2023.7.1.01	"Riparian Management and the Tailed Frog", Jan. 1995 [0.5 cm of textual records] File consists of an original report by Dupuis and Friele entitled "Riparian Management and the Tailed Frog" presented to the BC Ministry of Forests Prince Rupert Forest Region on January 31, 1995.
2023.7.1.02	West Fraser Mills Ltd. Forest Development Plan T.F.L. 41 (1996-2001), 1996 [0.5 cm of textual records] File consists of correspondence regarding West Fraser Mills' Forest Development Plan for T.F.L. 41 (1996-2001). Also includes attachments regarding the plan and comments regarding the operating area watershed and specific blocks.
2023.7.1.03	Tailed Frog documents, 1991-1998 [2 cm of textual records] File consists of notes, correspondence, memoranda, and collected research material regarding Tailed Frogs. Highlights include: <ul style="list-style-type: none">• Memoranda "Re: Tailed Frog Issues - Fiddler 13+500 Road Cutbank Slough" (1996)• Letter "Re: Proposal for Ascaphus Creek Ecological Reserve" (1994)• Excerpt of stream site descriptions and species inventory for Tailed Frogs• List of locations of <i>Ascaphus truei</i> collected or observed in the Kitlope Region during the summers of 1992 and 1993• BC Forest Service Prince Rupert Forest Region, Extension Note #16, "Riparian Management and the Tailed Frog in Northern Coastal Forests" (Nov. 1996)
2023.7.1.04	"Inventory of Tailed Frogs (<i>Ascaphus truei</i>) and Habitat in Ascaphus Creek and Apprentice Creek Drainages", 1994 [2 cm of textual records] File consists of the original version of the report "Inventory of Tailed Frogs (<i>Ascaphus truei</i>) and Habitat in Ascaphus Creek and Apprentice Creek Drainages" by Grant Hazelwood. Includes original photographs pasted into the report. Also includes an annotated draft of the above report and a project description document for the "Inventory of Tailed Frog Habitats in the 'Ascaphus' Creek Drainage".
2023.7.1.05	"Tailed Frog Habitat and Population Monitoring - Year 3 - 1996", Oct. 1996 [0.3 cm of textual records] File consists of a photocopy of a 1996 report by Pacific Cascade Consultants Ltd. entitled "Tailed Frog Habitat and Population Monitoring - Year 3 - 1996" prepared for BC Ministry of Forests Kalum District.
2023.7.1.06	"Sampling Techniques for the Tailed Frog and the Pacific Giant Salamander" (draft), Sept. 1993 [21 p.] File consists of an original draft version of "Sampling Techniques for the Tailed Frog and the Pacific Giant Salamander" prepared by Tom Ethier, Wildlife Branch, Ministry of Environment, Lands and Parks.
2023.7.1.07	"Extending the Known Range of Tailed Frog Populations in British Columbia", Oct. 1993 [19 p.] File consists of the original version of "Extending the Known Range of Tailed Frog Populations in British Columbia" by Grant Hazelwood. Includes original print photographs adhered into the report.

2023.7.1.08	<p>"Documentation of 'Noname Creek' [Station 13 + 500] on Fiddler Mainline forest road as suitable habitat for supporting Tailed Frogs [Ascaphus truei], a Blue Listed species in British Columbia", 8 Dec. 1999 [8 p.]</p> <p>File consists of the original version a report prepared by Grant Hazelwood for the BC Conservation Officer Service entitled "Documentation of 'Noname Creek' [Station 13 + 500] on Fiddler Mainline forest road as suitable habitat for supporting Tailed Frogs [Ascaphus truei], a Blue Listed species in British Columbia".</p>
2023.7.1.09	<p>"Biological Investigation Report - Gosling Creek", July 2000 [10 p.]</p> <p>File consists of the original version a report prepared by Grant Hazelwood for the BC Ministry of Forests entitled "Biological Investigation Report - Gosling Creek" regarding the presence of Tailed Frogs in the area.</p>
2023.7.1.10	<p>Kalum Forest District SBFEP Forest Development Plan, 1997-2001, 1996-1997 [0.5 cm of textual records. -- 2 maps]</p> <p>File consists of the a reproduction of the Kalum Forest District SBFEP Forest Development Plan, 1997-2001. Includes accompanying correspondence and memoranda regarding the plan. Also includes two maps associated with the plan, "Kalum Forest District Small Business Forest Enterprise Program, 1997-2001 Forest Development Plan - West Nass (Upper Harper)" and "Kalum Forest District Small Business Forest Enterprise Program, 1997-2001 Forest Development Plan - West Nass (Lower Harper)". These maps are believed to have been annotated by Hazelwood to show Tailed Frogs habitat areas.</p>

Series 2: Upper Nass Assessment Project

Dates: 1979-1986

Extent: 6 cm of textual material. -- 17 maps.

2023.7.2.01	Upper Nass Assessment Project planning, 1985 [0.2 cm of textual material] File consists of project planning documents for the BC Ministry of Environment's "Upper Nass Assessment Project", a project that included the biophysical mapping of the Northwest-Klappan Road Access Area. Grant Hazelwood (Alpenglow Resources) was hired as the wildlife biologist for to undertake this project work. Includes Hazelwood's employment information for the project, project terms of reference, and a project summary.
2023.7.2.02	Upper Nass Assessment Project notes and correspondence, 1984-1986 [0.3 cm of textual material] File consists of Grant Hazelwood's notes and collected correspondence created in conjunction with the BC Ministry of Environment's "Upper Nass Assessment Project", a project that included the biophysical mapping of the Northwest-Klappan Road Access Area. Includes a summary document entitled "Klappan Access Road Project - Wildlife Component", as well as Hazelwood's handwritten species inventory notes.
2023.7.2.03	"Task Force on Northwest Economic Development Opportunities - Environmental Overview - Technical Background Report", 1983-1984 [1 cm of textual material] File consists of an original copy of the "Task Force on Northwest Economic Development Opportunities - Environmental Overview - Technical Background Report" from October 1983. Also includes an accompanying memorandum note from 1984 regarding the report.
2023.7.2.04	"Preliminary Environmental Assessment of Railway Corridor Options to Service Mount Klappan Coal Project and the Northwest Region of British Columbia", 1984 [0.2 cm of textual material] File consists of a copy of "Preliminary Environmental Assessment of Railway Corridor Options to Service Mount Klappan Coal Project and the Northwest Region of British Columbia" (1984) by the Industrial and Energy Project Evaluation Section, Planning and Assessment Branch of the BC Ministry of Environment.
2023.7.2.05	"Mount Klappan Anthracite Project", Oct. 1984 [0.5 cm of textual material. -- 1 map] File consists of an original "Mount Klappan Anthracite Project" document by Gulf Canada Resources Ltd. Includes accompanying map entitled "Gulf Canada Resources Inc.: Northwest British Columbia" that shows proposed coal mine sites in the Mount Klappan area, near Spatsizi Wilderness Park and Tatlatui Provincial Park.
2023.7.2.06	"Mount Klappan Access Road Study", Apr. 1985 [1.5 cm of textual material] File consists of an original "Mount Klappan Access Road Study" proposal for consulting services to the BC Ministry of Industry and Small Business Development by Phillips Barratt Kaiser Engineering Ltd. in association with Associated Engineering (B.C.) Ltd.
2023.7.2.07	"Preliminary Wildlife Assessment of Klappan Coal Road Alternatives", Apr. 1985 [0.2 cm of textual material] File consists of a photocopied report by BC Ministry of Environment wildlife habitat biologist Dan Blower entitled "Preliminary Wildlife Assessment of Klappan Coal Road Alternatives" from April 19, 1985.
2023.7.2.08	"Preliminary Environmental Assessment of Corridor Alternatives for the Proposed Mount Klappan Coal Project", May 1985 [1 cm of textual material] File consists of a photocopied "Preliminary Environmental Assessment of Corridor Alternatives for the Proposed Mount Klappan Coal Project". Includes accompanying memoranda regarding the report.

2023.7.2.09	<p>Capability classification for Bowser Lake, 1986 [0.5 cm of textual material. -- 1 map]</p> <p>File consists notes, correspondence, summary reports, inventory data, and a map regarding capability classification for Bowser Lake. The map is a "clean copy" of Grant Hazelwood's ungulate biophysical map without symbols. Summary reports include:</p> <ul style="list-style-type: none"> • Grant Hazelwood, "Ungulate Capability Classification" • Grant Hazelwood, "Winter Flights, February 1986" • "Ungulate Biophysical Mapping in the Stikine-Iskut Area"
2023.7.2.10	<p>"Impact of Kemano Expansion on Gitksan-Wet'suwet'en Fishery", [198-?] [1 map]</p> <p>File consists of an original reproduction of a map entitled "Impact of Kemano Expansion on Gitksan-Wet'suwet'en Fishery". The map depicts salmon spawning areas, hydroelectric structures (Kenney Dam, Kemano powerhouse, etc), and Gitksan-Wet'suwet'en communities (Gitwangak, Kitseguecla, Gitanmaax, Hagwilget, Moricetown). Includes notable impacts and Indigenous place names for rivers, creeks, and lakes.</p>
2023.7.2.11	<p>"Spatsizi Provincial Park Key Map", Mar. 1979 [1 map]</p> <p>File consists of an original reproduction of a map entitled "Spatsizi Provincial Park Key Map" by BC Parks.</p>
2023.7.2.12	<p>Upper Nass Assessment Project map sheets, 1979-1986 [13 maps]</p> <p>File consists of an original and photocopied maps collected by Grant Hazelwood primarily in conjunction with work for the Upper Nass Assessment Project. The majority consist of Canadian National Topographic System (NTS) maps annotated with draft biophysical mapping, collected species inventory data, area boundaries, or other information for the project.</p>

Series 3: Parks and Conservation Areas in British Columbia

Dates: 1943-2005

Extent: 0.63 m of textual material. -- 1 map.

2023.7.3.01	<p>"Kitlope Ecosites, Wildlife Viewing Zones and Cultural Interpretation Sites", 1992 [1 map : col., on Tyvek] Map depicts the Kitlope range, Kimsquit Watershed, and area around Kitlope Lake. Includes Indigenous place names, grease trails, Indigenous village sites, and wildlife information.</p>
2023.7.3.02	<p>"Winter Moose Survey Kitlope Drainages", 23 Mar. 1995 [0.2 cm of textual records] Item is a photocopy of a 1995 report written by Hazelwood entitled "Winter Moose Survey Kitlope Drainages" via his Alpenglow Resources consultancy business.</p>
2023.7.3.03	<p>"Summary of British Columbia's Provincial Park System since 1949", [1976?] [58 p.] This booklet contains a yearly summary of the Provincial Park system from 1949 to the present. It gives the total number and areas of parks. Original.</p>
2023.7.3.04	<p>BC Provincial Parks policies, 1979 [0.5 cm of textual records] File contains BC Parks policy documents, including the following: Wildlife Policy for Provincial Parks, the Nuisance Animal Policy, Wildlife Management in Provincial Parks, and Commercial Guiding for Fishing and Hunting in Provincial Parks.</p>
2023.7.3.05	<p>Outdoor Recreation Council of British Columbia, 1977-1986 [2 cm of textual records] File contains original reports from the Outdoor Recreation Council of British Columbia, including:</p> <ul style="list-style-type: none"> • "British Columbia's Trails, Rivers and Shorelines: A Status Report" (Feb. 1977) • "Public Advisory Committee Lay Members' Seminar - Transcript of Proceedings" (Nov. 1981) • "Trail & River Recreation - A Discussion Paper" (Sept. 1982) <p>Also includes minutes from an Outdoor Recreation Council meeting to discuss Cathedral, Mt. Assiniboine, Hamber, and Wells Gray Provincial Parks. Includes discussion of snowmobile use, horse use, commercial use, hunting use, and grazing use of the parks.</p>
2023.7.3.06	<p>"Wildlife Management in Park Act Land Designations", Aug. 1984 [8 p.] Item is a reproduction of a "Wildlife Management in Park Act Land Designations" document by the BC Ministry of Lands, Parks and Housing - Parks and Outdoor Recreation Division.</p>
2023.7.3.07	<p>BC Ministry of Environment and Parks 1987 parks changes news release, Jan. 1987 [16 p.] File includes a reproduction of a BC Ministry of Environment and Parks news release from January 29, 1987 titled "Park Changes Announced". Also includes a backgrounder document summarizing the history of the B.C. Parks system and a backgrounder document in new park boundaries and land designations for Strathcona Park, Kokanee Glacier Park, Wells Gray Park, Cascades/Manning Study Area, Tweedsmuir Park, Kwadacha Wilderness Park, and Garibaldi Park.</p>
2023.7.3.08	<p>"Regional Landscapes for the British Columbia Parks System" (Draft), June 1989 [126 p. -- 1 map] Item is an original draft copy of "Regional Landscapes for the British Columbia Parks System".</p>
2023.7.3.09	<p>"BC Environment Background Information and Obligations to Consider When Reviewing Forest Development Plans, Silviculture Plans, Range Use Plans and Logging Plans - Final Report", Nov. 1995 [54 p.] Item is an original copy of "BC Environment Background Information and Obligations to Consider When Reviewing Forest Development Plans, Silviculture Plans, Range Use Plans and Logging Plans - Final Report".</p>

2023.7.3.10	"Burns Bog Analysis", June 1993 [54 p.] Item is a reproduction of a report entitled "Burns Bog Analysis" by Catherine Berris & Associates for the Ministry of Environment, Lands & Parks. The scope of this Burns Bog Analysis was inventory and preliminary analysis; the process included information collection and review, preliminary analysis of existing and potential land uses and a public open house.
2023.7.3.11	"Delta Nature Reserve: Evaluation Study Prepared for Delta Parks and Recreation", Jan. 1976 [54 p.] Item is a reproduction of a report entitled "Delta Nature Reserve: Evaluation Study Prepared for Delta Parks and Recreation". This study was intended to provide information and make recommendations regarding the optimum use of the property.
2023.7.3.12	"Garibaldi Park Management Plan: Background Information and Issues", 1988 [8 p.] Item is an original, oversize newsletter entitled "Garibaldi Park Management Plan: Background Information and Issues" released by the BC Ministry of Environment and Parks for public engagement purposes.
2023.7.3.13	"Cape Scott Park Proposal", 1973 [32 p.] Item is an original booklet entitled "Cape Scott Park Proposal" issued by the BC Parks Branch, Department of Recreation and Conservation.
2023.7.3.14	"Desolation Sound Marine Park Proposal", 1973 [32 p.] Item is an original booklet entitled "Desolation Sound Marine Park Proposal" issued by the BC Parks Branch, Department of Recreation and Conservation.
2023.7.3.15	"Sidney Spit Park Trip Report", Sept. 1979 [4 p.] Item is a reproduction of a report by Grant Hazelwood entitled "Sidney Spit Park Trip Report".
2023.7.3.16	"A Plan for the Future of Strathcona Park", 1988 [25 p.] Item is an original report by The Sierra Club of Western Canada entitled "A Plan for the Future of Strathcona Park".
2023.7.3.17	"Tsitika-Schoen Resources Study: Summary Report", Feb. 1975 [42 p.] Item is an original report prepared for the BC Environment and Land-Use Committee by the North Island Study Group entitled "Tsitika-Schoen Resources Study: Summary Report".
2023.7.3.18	"Report of Wildlife Studies in the Rocky Mountain Parks in 1945", 1945 [34 p.] Item is an original report by Ian McTaggart Cowan entitled "Report of Wildlife Studies in the Rocky Mountain Parks in 1945".
2023.7.3.19	"Report on Game Conditions in Banff, Jasper and Kootenay National Parks, 1943", 1943 [72 p.] Item is an original report by Ian McTaggart Cowan entitled "Report on Game Conditions in Banff, Jasper and Kootenay National Parks, 1943".
2023.7.3.20	"Proposed Addition to Mount Assiniboine Park", 1973 [24 p.] Item is an original booklet entitled "Proposed Addition to Mount Assiniboine Park" issued by the BC Parks Branch, Department of Recreation and Conservation.
2023.7.3.21	"Mt. Assiniboine Park Trip, August 19-22, 1974", Aug. 1974 [11 p.] Item is an original report by Grant Hazelwood entitled "Mt. Assiniboine Park Trip, August 19-22, 1974". Includes original print photographs pasted into the report. The objective was to sample the lakes fishery at the south and north ends of the park and to examine some grizzly bear habitat on the Simpson River and examine the condition of guiding cabins in the same area.
2023.7.3.22	"The Elk of Banff National Park", 1946 [32 p.] Item is an original report by H.U. Green entitled "The Elk of Banff National Park".

2023.7.3.23	"Cathedral Provincial Park Horse Trip Report - September 18-22, 1979", 1979 [8 p.] Item is a reproduction of a report by Grant Hazelwood entitled "Cathedral Provincial Park Horse Trip Report - September 18-22, 1979".
2023.7.3.24	"Elk Lakes Park Proposal", 1971 [32 p.] Item is an original booklet entitled "Elk Lakes Park Proposal" issued by the BC Parks Branch, Department of Recreation and Conservation.
2023.7.3.25	"Investigation of the Elk River Game Reserve", Feb. 1963 [17 p.] Item is reproduction of a report by W.G. Smith entitled "Investigation of the Elk River Game Reserve".
2023.7.3.26	"Kokanee Glacier Park Master Plan" (Draft), 1987 [1 cm of textual records] File consists of an original draft copy of the "Kokanee Glacier Park Master Plan", as well as the "Background Report for Kokanee Glacier Park Master Plan" and the "Kokanee Glacier Park Master Plan: Public Handout and Questionnaire". These items are accompanied by correspondence related to the Master Plan.
2023.7.3.27	"Vegetation of Kokanee Glacier Park: Inventory and Description", Aug. 1973 [24 p.] Item is reproduction of a report by Brenda Herbison entitled "Vegetation of Kokanee Glacier Park: Inventory and Description".
2023.7.3.28	"Monashee Park Trip Report - August 30th - September 4, 1979", Sept. 1979 [7 p.] Item is a reproduction of a report by Grant Hazelwood entitled "Monashee Park Trip Report - August 30th - September 4, 1979". Includes accompanying correspondence from D.J. Spalding.
2023.7.3.29	Purcell Conservancy documents, 1972-1975 [0.5 cm of textual records] File consists of collected documents regarding the Purcell Conservancy. The documents were compiled in 1975 by John Murray of Crestbrook Forest Industries Ltd. for J.D. Little, Vice President of Northwood Pulp and Timber Ltd. Includes: <ul style="list-style-type: none"> • "Talk to Kimberley SPEC Group - February 22, 1973" by J.G. Murray • "Environmental Talk to ILMA in Penticton - April 27, 1973" by J.G. Murray • "Talk at Trail Wilderness Association - February 26, 1973" by J.G. Murray • "Talk Presented to SPEC Meeting at Kaslo - December 13, 1972" by J.G. Murray • Letter from J.G. Murray to H.K. Williams, Association of BC Professional Foresters (14 June 1973) • "Talk to SPEC in Nelson - November 16, 1972" by [J.R. Johnston, District Forester, Nelson?] • "Fry-Carney Drainage Land Capability Analysis" by J. Konkin and D. Melenka (13 Feb. 1973) • Letter from J.G. Murray to Dr. Al Chambers, UBC Faculty of Forestry re: the Purcell Study (2 Aug. 1973)
2023.7.3.30	"Purcell Range Study: Integrated Resource Management for British Columbia's Purcell Mountains", Jan. 1974 [74 p.] File consists of an original report entitled "Purcell Range Study: Integrated Resource Management for British Columbia's Purcell Mountains", along with an accompanying July 1974 press release from the Environment and Land Use Committee regarding the Purcell Study.
2023.7.3.31	"St. Mary's Alpine Park Proposal", 1973 [32 p.] Item is an original booklet entitled "St. Mary's Alpine Park Proposal" issued by the BC Parks Branch, Department of Recreation and Conservation.
2023.7.3.32	"Master Plan for Valhalla Provincial Park", 1989 [70 p.] File consists of an original BC Parks "Master Plan for Valhalla Provincial Park". Includes accompanying correspondence from Grant Hazelwood to Dr. Terry Huberts, Minister of Parks, as well as to Phil Whitfield of BC Parks.

2023.7.3.33	"Valhalla Provincial Park Master Plan" (Draft), June 1987 [1 cm of textual records] File consists of an original draft BC Parks "Valhalla Provincial Park Master Plan", as well as the accompanying "Valhalla Provincial Park Master Plan: Appendix 1 Background Document". Includes accompanying correspondence from Grant Hazelwood to Phil Whitfield of BC Parks in regards to the Valhalla Master Plan.
2023.7.3.34	"Swan Lake Wilderness Area Wilderness Management Plan", 1996 [48 p.] Item is an original "Swan Lake Wilderness Area Wilderness Management Plan" by the BC Forest Service.
2023.7.3.35	"Nehalliston Creek Folio Recreation Plan", 1987 [76 p.] Item is an original "Nehalliston Creek Folio Recreation Plan" by the BC Forest Service, Kamloops Forest District.
2023.7.3.36	"Wildlife of the Bowron Lakes Region", Dec. 1952 [9 p.] Item is an original report entitled "Wildlife of the Bowron Lakes Region" by R.Y. Edwards.
2023.7.3.37	"Carp Lake Park Proposal", 1973 [32 p.] Item is an original booklet entitled "Carp Lake Park Proposal" issued by the BC Parks Branch, Department of Recreation and Conservation.
2023.7.3.38	"Carp Lake Park Report: 1973", 1973 [68 p.] Item is a reproduction of a report by Leon Pavlick entitled "Carp Lake Park Report: 1973". Includes accompanying original Carp Lake Provincial Park brochure from 1983.
2023.7.3.39	"Crooked River Fisheries and Wildlife", 1982-1983 [18 p.] Item is an original report by Grant Hazelwood and Steve Head regarding "Crooked River Fisheries and Wildlife". Includes one original photographic print pasted into the report. This project was aimed at improving the recreational use of the Crooked River and it's adjoining corridor.
2023.7.3.40	"Report of Wildlife Studies in Jasper, Banff and Yoho National Parks in 1944 and Parasites, Diseases and Injuries of Game Animals in the Rocky Mountain National Parks, 1942-1944", 1944 [106 p.] Item is an original report by Ian McTaggart Cowan entitled "Report of Wildlife Studies in Jasper, Banff and Yoho National Parks in 1944 and Parasites, Diseases and Injuries of Game Animals in the Rocky Mountain National Parks, 1942-1944".
2023.7.3.41	Kowesas Watershed, 1995-1996 [0.5 of textual records] File consists of an original report entitled "The Kowesas Watershed Assessment: Summary Report" prepared by Interrain Pacific with the Nanakila Institute, the Haisla Nation, Ecotrust Canada, and Ecotrust. The report is accompanied by a map by Interrain Pacific entitled "Wildlife Habitat Capability Classification Kowesas Watershed". Also includes accompanying correspondence, a newspaper clipping, and "Kowesas River Field Notes" presumably written by Grant Hazelwood.
2023.7.3.42	"Monkman Park Proposal Summary", Aug. 1975 [13 p.] Item is an original planning report by T.H. Brierley and M.B. Roberts of BC Parks entitled "Monkman Park Proposal Summary".
2023.7.3.43	Mt. Robson Provincial Park reports, 1970-1982 [0.3 of textual records] File consists of original and photocopied reports relating to the Mt. Robson park area. Includes: <ul style="list-style-type: none"> • "Mt. Robson Park Moose Survey", Feb. 1982 • Grant Hazelwood, "Winter Flight Report", Mar. 1982 • David Stirling, "An Annotated List of Birds of Mount Robson Provincial Park", Sept. 1970 • Grant Hazelwood, "Park Reserve for Holiday Creek Site", Aug. 1974 (includes original photographic prints within) • Rob Butler, "Mt. Robson Wildlife from Naturalist's Report", 1972

2023.7.3.44	"Floristic Descriptions of Cover-types in Wells Gray Park", 1957 [42 p.] Item is an original wildlife section report by F.H. Hartman entitled "Floristic Descriptions of Cover-types in Wells Gray Park".
2023.7.3.45	"Ecological Investigations on Lichens in Wells Gray Provincial Park, with Special Reference to their Importance to Mountain Caribou", 1962 [69 p.] Item is an original report by Teuvo Ahti entitled "Ecological Investigations on Lichens in Wells Gray Provincial Park, with Special Reference to their Importance to Mountain Caribou". Includes accompanying correspondence between Ahti and his BC Parks employers regarding travel and contract details.
2023.7.3.46	"Predators in Wells Gray Park 1950-1956", 1958 [22 p.] Item is an original wildlife section report by R.W. Ritcey entitled "Predators in Wells Gray Park 1950-1956".
2023.7.3.47	"Biological Investigations of the Blue River Headwaters Area, Wells Gray Park", June 1977 [28 p.] Item is an original report by Rob Cannings entitled "Biological Investigations of the Blue Rivers Headwaters Area, Wells Gray Park". Includes original photographic prints within the report.
2023.7.3.48	"Birds and Bird Habitat of White Pelican Provincial Park", 5 June 1981 [68 p.] Item is a photocopied BC Parks report by Lee Koza entitled "Birds and Bird Habitat of White Pelican Provincial Park".
2023.7.3.49	"Atlin Park Proposal", 1973 [24 p.] Item is an original booklet entitled "Atlin Park Proposal" issued by the BC Parks Branch, Department of Recreation and Conservation.
2023.7.3.50	"Atlin Park Lake Trip Report", 1977 [8 p.] Item is an original "Atlin Park Lake Trip Report" by W.G. Hazelwood. Includes original photographic prints pasted into the report.
2023.7.3.51	"A Fisheries and Wildlife Survey of the Burnie Lakes Park Proposal", 1975 [44 p.] Item is an original report entitled "A Fisheries and Wildlife Survey of the Burnie Lakes Park Proposal" by E. Osmond-Jones et al. for BC Parks branch biologist W.G. Hazelwood. Includes original photographic prints pasted into the report.
2023.7.3.52	"Proposed Chilkoot Trail National Historic Park", May 1986 [8 p.] Item is an original "Proposed Chilkoot Trail National Historic Park" newsletter created by Environment Canada Parks branch to encourage public participation in the park planning process.
2023.7.3.53	"Kluane National Park Reserve", Nov. 1988 [6 p.] Item is an original "Kluane National Park Reserve" newsletter created by Environment Canada Parks branch to encourage public participation in the park planning process.
2023.7.3.54	"Gitnadoix Recreation Area Wildlife Survey", Feb. 1989 [12 p.] Item is an original "Gitnadoix Recreation Area Wildlife Survey" by W.G. Hazelwood. Includes original photographic prints pasted into the report and map sheet excerpts.
2023.7.3.55	"Kwadacha Park Proposal", 1973 [32 p.] Item is an original booklet entitled "Kwadacha Park Proposal" issued by the BC Parks Branch, Department of Recreation and Conservation.
2023.7.3.56	"Kwadacha Park 1976", Oct. 1976 [28 p. -- 1 map] Item is an original "Kwadacha Park 1976" trip report by W.G. Hazelwood. Includes original photographic prints pasted into the report. Also includes a "Kwadacha Wilderness Park Proposal" accompanying map.

2023.7.3.57	<p>"Stone Sheep Surveys in Muncho Lake and Stone Mountain Provincial Parks", 1985 [39 p.]</p> <p>Item is a "Stone Sheep Surveys in Muncho Lake and Stone Mountain Provincial Parks" report by W.G. Hazelwood containing photocopied and original pages. Includes original photographic prints pasted into the report.</p>
2023.7.3.58	<p>"Mountain Goat Surveys in Spatsizi Wilderness Park", Sept. 1984 [81 p.]</p> <p>Item is a "Mountain Goat Surveys in Spatsizi Wilderness Park" report by David F. Hatler (Wildecor) and W.G. Hazelwood (Alpenglow Resources) containing photocopied and original pages. Includes original photographic prints pasted into the report.</p>
2023.7.3.59	<p>"Mountain Goat Surveys in the Tatlatui, Spatsizi and Mt. Edziza Provincial Park Areas, British Columbia", Aug. 1985 [97 p.]</p> <p>Item is a photocopied "Mountain Goat Surveys in the Tatlatui, Spatsizi and Mt. Edziza Provincial Park Areas, British Columbia" report by David F. Hatler (Wildecor) and W.G. Hazelwood (Alpenglow Resources).</p>
2023.7.3.60	<p>"Report on Mt. Edziza, Tatlatui, Spatsizi", 1991 [28 p.]</p> <p>Item is a photocopied "Report on Mt. Edziza, Tatlatui, Spatsizi" by Bob Henderson.</p>
2023.7.3.61	<p>"Mount Edziza Park Wildlife Report: An Argument for Nature Conservancy Status", Nov. 1975 [30 p.]</p> <p>Item is an original "Mount Edziza Park Wildlife Report: An Argument for Nature Conservancy Status" report by W.G. Hazelwood, Parks Biologist. Includes original photographic prints pasted into the report. Also includes an accompanying "Mt. Edziza Wildlife Survey" from October 13, 1979.</p>
2023.7.3.62	<p>"A Brief Requesting a Complete Ban on all Hunting in Mount Edziza Provincial Park", Apr. 1978 [0.3 cm of textual records]</p> <p>Item is an original copy of an unpublished brief by M. Keith Moore sent to the BC Parks Branch entitled "A Brief Requesting a Complete Ban on all Hunting in Mount Edziza Provincial Park". Also includes a summary follow-up one-pager by W.G. Hazelwood, Parks Biologist, entitled "Report on Mt. Edziza Wildlife" and accompanying correspondence.</p>
2023.7.3.63	<p>"Provincial Parks and Stone Sheep: 'Affinity Through Default'", Apr. 1978 [11 p.]</p> <p>Item is a photocopy of "Provincial Parks and Stone Sheep: 'Affinity Through Default'" report by W.G. Hazelwood, Parks Biologist.</p>
2023.7.3.64	<p>"Spatsizi Plateau Wilderness Park: A Resource Information and Research Discussion Paper", Dec. 1976 [41 p.]</p> <p>Item is a photocopy of a 1976 report by Hazelwood and the Spatsizi Research Committee entitled "Spatsizi Plateau Wilderness Park: A Resource Information and Research Discussion Paper" for the BC Ministry of Recreation and Conservation.</p>
2023.7.3.65	<p>"BC Forest Service Inventory Division Reports", 1972 [37 p.]</p> <p>Item is a compilation of BC Forest Service Inventory Division Reports. Includes:</p> <ul style="list-style-type: none"> • "Recreational and Land Use Review" by Mike Lane, Forester • "The Recreational Potential of the Klappan River Drainage and the Area Bordering the Stikine River from its Junction with the McBride River to the Klappan River" by Larry Sigurdson, Forester • "Recreation Survey Report - Klappan P.S.Y.U. Upper Stikine and Chuckachida Rivers" by Gregor William Lee, Forester • "The Recreational Potential of the Spatsizi River Drainage and the Area Bordering the Stikine River from its Junction with the Spatsizi to the McBride River" by G. Stenberg, Forester
2023.7.3.66	<p>"The Spatsizi and Stikine Rivers: Mainstem System Evaluations of Fishery and Recreation Values", Oct. 1977 [68 p.]</p> <p>Item is an original "The Spatsizi and Stikine Rivers: Mainstem System Evaluations of Fishery and Recreation Values" by E.J. Osmond-Jones, Environmental Management Division, B.C. Parks Branch. Includes original photographic prints pasted into the report.</p>

2023.7.3.67	<p>Spatsizi Plateau Wilderness Park documents, 1981, 1984 [0.2 cm of textual records] File consists of various documents relating to Spatsizi Plateau Wilderness Park. Includes:</p> <ul style="list-style-type: none"> • Memo from Greenpeace entitled "Why Greenpeace is Opposed to Trophy Hunting in the Spatsizi Plateau" (July 1981) • Copy of a 1981 letter from G. McKee requesting information about Spatsizi Park and Grant Hazelwood's response • Letter from Gil Payne to G.D. Childs re: Klappan Coal Project impact on the area • Letter from Grant Hazelwood to Carmen Prudy, President of the B.C. Wildlife Federation re: the Mt. Klappan Coal Project (relates to the Gil Payne letter) • "Spatsizi" 1984 newsletter produced by the Collingwood Bros. Guide Outfitters of Smithers, BC promoting hunting in Spatsizi Park
2023.7.3.68	<p>"Stikine Country Protected Areas Management Plan", Nov. 2003 [251 p.] Item is a detailed management plan for the following Stikine Country Protected Areas: Mt. Edziza Provincial Park, Mount Edziza Protected Area (Proposed), Stikine River Provincial Park, Spatsizi Plateau Wilderness Provincial Park, Gladys Lake Ecological Reserve, Pitman River Protected Area, Chukachida Protected Area, Tatlatui Provincial Park.</p>
2023.7.3.69	<p>Stikine Country Protected Areas Advisory Committee, 2005 [1 cm of textual records] File consists of records created and collected by Grant Hazelwood in connection to his work on the Stikine Country Protected Areas Advisory Committee and its Gladys Lake Subcommittee.</p>
2023.7.3.70	<p>"Vegetation and Ungulate Habitat in the Gladys Lake Ecological Reserve, Northern British Columbia", Mar. 1986 [99 p.] Item is an original internal report of the Ministry of Forests Research Program by Jim Pojar entitled "Vegetation and Ungulate Habitat in the Gladys Lake Ecological Reserve, Northern British Columbia".</p>
2023.7.3.71	<p>"Grizzly Bear Survey Tweedsmuir Park", 1956 [22 p.] Item is an original Wildlife Section Report No. 60 by R.Y. Edwards of the Provincial Parks Branch entitled "Grizzly Bear Survey Tweedsmuir Park".</p>
2023.7.3.72	<p>"Report on Tweedsmuir Reconnaissance Summer 1956", 1956 [55 p.] Item is a photocopied Wildlife Section Report No. 58 by R.W. Ritcey of the BC Forest Service Parks and Recreation Division entitled "Report on Tweedsmuir Reconnaissance Summer 1956".</p>
2023.7.3.73	<p>"Tweedsmuir Park Initial Wildlife & Fisheries Inventory", 1975 [4 cm of textual records] Item is an original "Tweedsmuir Park Initial Wildlife & Fisheries Inventory" by W.G. Hazelwood. Includes original photographic prints pasted into the report.</p>
2023.7.3.74	<p>"Observations of Caribou and Caribou Environment in Northern and Southern Tweedsmuir Park and Wells Gray Park in Summer of 1977 with Comments on Related Observations in Spatsizi Park during Spring", Oct. 1977 [31 p.] Item is a photocopied report by Don Miller entitled "Observations of Caribou and Caribou Environment in Northern and Southern Tweedsmuir Park and Wells Gray Park in Summer of 1977 with Comments on Related Observations in Spatsizi Park during Spring".</p>
2023.7.3.75	<p>"Life History Studies of Caribou in Spatsizi Wilderness Park 1977-78", 1978 [156 p.] Item is an original Parks Branch report by A.T. Bergerud and H.E. Butler entitled "Life History Studies of Caribou in Spatsizi Wilderness Park 1977-78".</p>
2023.7.3.76	<p>"The Upper Stikine-Spatsizi Wolf-Ungulate System, Northwestern British Columbia", Mar. 1979 [133 p. ; 28 cm] Item is an original report by Gordon C. Haber entitled "The Upper Stikine-Spatsizi Wolf-Ungulate System, Northwestern British Columbia".</p>

2023.7.3.77	<p>"The Woodland Caribou of Northern Tweedsmuir Park", Mar. 1979 [48 p. ; 28 cm] Item is an original report by Ian Hatter entitled "The Woodland Caribou of Northern Tweedsmuir Park". The report is self described as: "a collation of material presently available on the subject of woodland caribou in northern Tweedsmuir Park."</p>
2023.7.3.78	<p>"Studies of Radio-collared Caribou in the Spatsizi Wilderness Park Area, British Columbia", Jan. 1983 [102 p. : ill. ; 28 cm] Item is an original report by David Hatler entitled "Studies of Radio-collared Caribou in the Spatsizi Wilderness Park Area, British Columbia".</p>
2023.7.3.79	<p>"Tweedsmuir Provincial Park Background Document", Sept. 1986 [102 p. : ill. ; 28 cm] Item is an original "Tweedsmuir Provincial Park Background Document" by the British Columbia Parks and Outdoor Recreation Division Northern B.C. Region.</p>
2023.7.3.80	<p>"Draft Tweedsmuir Master Plan", July 1987 [60 p. : ill. ; 28 cm] Item is an original "Draft Tweedsmuir Master Plan" by the British Columbia Parks and Outdoor Recreation Division Northern B.C. Region.</p>
2023.7.3.81	<p>Tweedsmuir Park documents, 1978-1987 [0.3 cm of textual records] File consists of correspondence and reports relating to Tweedsmuir Provincial Park. Includes:</p> <ul style="list-style-type: none"> • Correspondence from the Steelhead Society of British Columbia to the Ministry of Environment and Parks "Re: Tweedsmuir Park boundaries" (Apr. 1987) • Ministry of Environment and Parks documents regarding a Tweedsmuir Park Master Plan open house event • Letter from Grant Hazelwood of the B.C. Wildlife Federation to the Ministry of Environment and Parks "Re: Tweedsmuir Master Plan" (Apr. 1987) • "Tweedsmuir Park Planning Issues" document (ca. 1987) • "Tweedsmuir Flight Report October 26, 1978" original report by Grant Hazelwood
2023.7.3.82	<p>"Liard River Hot Springs Park Natural History Observations", 1975 [117 p.] Item is a photocopied report by T.C. Reid entitled "Liard River Hot Springs Park Natural History Observations".</p>
2023.7.3.83	<p>"Highway 16: Exchamsiks River to Andesite Creek - Environmental Impact Assessment and Mitigation Recommendations", Apr. 1992 [4 cm of textual records] Item is an original report entitled "Highway 16: Exchamsiks River to Andesite Creek - Environmental Impact Assessment and Mitigation Recommendations". Includes 3D glasses for viewing 3D printed images inside the report. Also includes an accompanying memorandum from the Ministry of Transportation and Highways regarding meeting notes from an environmental impact meeting in relation to the report.</p>

Series 4: Wildlife and Habitat

Dates: 1953-2015

Extent: 42 cm of textual material. -- 1 map.

2023.7.4.01	<p>Wildlife - General, 1974-2003 [2.5 cm of textual records]</p> <p>File consists of records and textual material related to wildlife collected by Grant Hazelwood. Includes journal reprints, reports, and conference papers. Highlights include:</p> <ul style="list-style-type: none">• John Madson and Ed Kozicky, "The Principles of Game Management -- Stocking"• Ian McTaggart-Cowan, "The Gamble of Game Management"• R.Y. Edwards and C. David Fowie, "The Concept of Carrying Capacity"• Maynard M. Nelson, "In Defense of the Sport Hunter" (reproduction)• V. Geist, "On the Management of Large Mammals in National Parks" (copy)• J. Hatter et al., "Inventory and Evaluation of Wildlife Resources of British Columbia", B.C. Natural Resource Conference Transactions, 1956• Glen F. Cole, "Population Regulation in Relation to K", paper presented at the annual meeting of the Montana Chapter of the Wildlife Society, Bozeman, Montana, 22 Feb. 1974• P.W. Martin, "Distribution and Abundance of Big Game Animals in B.C.", 1963• D. Robinson, "Inventory and Evaluation of Wildlife Resource of British Columbia", B.C. Natural Resource Conference Transactions, [1962?]• Donald A. Spencer, "Vertebrates: A Resource Needing Management", 1972 (reproduction)• BC Fish and Wildlife Branch - Department of Recreation and Conservation, "Migration of British Columbia Birds and Mammals" (reproduction)• BC Fish and Wildlife Branch - Department of Recreation and Conservation, "A Brief History of Game Administration in British Columbia", [1971 or 1972] (reproduction)• BC Game Department, "Report Re: General game conditions in the Penticton Detachment", 1961 (reproduction)• R.Y. Edwards, "Wildlife and People in Northern British Columbia", a paper for the 13th BC Resources Conference, 1961• R.Y. Edwards and R.W. Ritcey, "Importance of Environment in Big Game Studies", a paper presented at Ottawa to a technical meeting of Canadian wildlife biologists, 1958• Richard DeGraaf and Jack Ward Thomas, "Wildlife Habitat in or near Human Settlements", 1976 (reproduction)• Paul Edgerton and Jack Thomas, "Impacts of Silviculture on Wildlife Habitats in the Blue Mountains", 1977• P.T. Gregory, "Report on Research on Ecology of Snakes and Frogs in Provincial Parks", [1978 or 1979] (reproduction)• I.D. Smith, "Alternatives for Wildlife Inventory", 1974 (reproduction)• Ian Cowan, "Preliminary Study of the Ashnola Herd of California Bighorn Sheep", 1950 (reproduction)• Fisheries and Oceans Canada, "StreamTalk: The Newsletter for Salmonid Enhancement", Vol. 10 No. 3, Spring 2003• Correspondence between G. Hazelwood, Parks Biologist, and G.F. Buydens, Parks Branch "Re: Woodpecker damage to water tank at Sproat Lake Park", 1978

2023.7.4.02	<p>Wildlife - Population distribution, 1975-1980 [0.3 cm of textual records]</p> <p>File consists of records and textual material related to wildlife population collected by Grant Hazelwood. Includes journal reprints, reports, and leaflets. Highlights include:</p> <ul style="list-style-type: none"> • John G. Stockner, "Phytoplankton heterogeneity and paleolimnology of Babine Lake, British Columbia, Canada", Nov. 1975 (journal reprint) • Western Guides and Outfitters Association, "Aims, Objectives and Policies", Oct. 1980 (reproduction) • Information summary sheet leaflets for threatened and endangered Canadian wildlife including the white pelican, sea otter, Vancouver Island marmot, and wood bison, 1979 • D. Blower, "Population estimates for April 1977 caribou map", June 1977 Also includes a map: • B.C. Fish and Wildlife Branch, "Wildlife Distribution Mapping - Big Game Series: Black Bear", 1978
2023.7.4.03	<p>Wildlife - BC Provincial Museum reports, 1980-1986 [0.5 cm of textual records]</p> <p>File consists of records and textual material collected by Grant Hazelwood related to BC Provincial Museum wildlife reports. Includes correspondence, news releases, and reports. Highlights include:</p> <ul style="list-style-type: none"> • Ministry of Environment, "Wolf Research Released" news release, Jan. 1984 • Grant Hazelwood, Director of the B.C. Wildlife Federation, "Wilderness" paper and "Proposed Wilderness Policy" (reproduction) • Grant Hazelwood, species sightings in British Columbia lists, 1980 (reproduction) • British Columbia Provincial Museum, "Higher Vertebrates of British Columbia, 1986 • R. Wayne Campbell and Alton Harestad, BC Provincial Museum, "Proposal for an Atlas of British Columbia Vertebrates", May 1981 (reproduction)
2023.7.4.04	<p>Wildlife - Estuaries, grazing, and streamside vegetation, 1956-1978 [1 cm of textual records]</p> <p>File consists of records and textual material related to wildlife in conjunction with estuaries, grazing, and wetland habitat collected by Grant Hazelwood. Includes journal reprints, reports, and conference papers. Highlights include:</p> <ul style="list-style-type: none"> • "The National Wildlife Refuges of the Willamette Valley Oregon: An Example for the Lower Fraser Valley?", 1980 • "The Recommendations of the Fraser Valley Wetlands Habitat Committee", 1980 • "A Response to 'Sanctuary Needs of the Lower Fraser Estuary - A Discussion Paper", Dec. 1979 • Lower Mainland Regional Wildlife Association, "Log Boom Storage in Estuaries", 1973 (reproduction) • R.Y. Edwards and P.W. Martin, "The Cariboo Method for Evaluating Browse Ranges", 1955 • Fish and Wildlife Branch, "Prevent Logging Damage to Streams" promotional leaflet, 1971 • Proceedings from Kamloops meeting re: interactions between cattle and wild ungulates in Southern B.C., 1972 (reproduction) • "Brief: An Examination of B.C. Forest Service Guidelines for Streambank and Shoreline Protection" (reproduction) • "Brief: Estuaries in British Columbia", 1973 (reproduction) • Fish and Wildlife Branch, "Estuaries - The Case for Regulated Development", 1973 (reproduction) • Fisheries and Environment Canada, "Planning Work Near the Water?" informational leaflet, 1978

2023.7.4.05	<p>Wildlife - Game conservation and management, 1958-1975 [1 cm of textual records]</p> <p>File consists of records and textual material related to wildlife conservation and game management collected by Grant Hazelwood. Includes journal reprints, reports, and conference papers. Highlights include:</p> <ul style="list-style-type: none"> • James Hatter, "Fish and Wildlife in Natural Resources Development, 1966 (reproduction) • "Pollution Control in British Columbia", [after 1967] • Fish and Wildlife Branch, "Wildlife Resources in the Kootenay Region in British Columbia" * J. Hatter, "The Function of the Provincial Wildlife Biologist", 1958 (reproduction) • Jan Sawitski, "Plant Communities of the Nass - and Park Ranges of Central British Columbia", 1972 (reproduction) • "Social and Ethical Considerations in Conservation" (reproduction)
2023.7.4.06	<p>Wildlife - Corridors, [after 1973] [0.3 cm of textual records]</p> <p>File consists of records and textual material related to Northern BC wildlife corridors collected by Grant Hazelwood. Includes manuscripts, notes, and summary documents. Discusses the following wildlife corridors:</p> <ul style="list-style-type: none"> • "Fort Nelson - 94 J (Alaska Highway)" * "Charlie Lake - 94 A (Alaska Highway)" • "Trutch - 94 G (Alaska Highway)" • "Halfway River - 94 B (Alaska Highway)" • "Alternate Corridor - Chetwind > Fort St. John by Dawson Creek" • "Hart Highway Corridor 'A'" • "Alaska Highway Corridor 'B'" Also includes a 1972 photocopied document titled "Wildlife Oriented Sites within Corridor of Alaska Highway (Wildlife Sites Outside of H.S.S.A.'s).
2023.7.4.07	<p>Wildlife - Mammals, 1960-1982 [2 cm of textual records]</p> <p>File consists of records and textual material related to mammals (predominantly in British Columbia) collected by Grant Hazelwood. Highlights include:</p> <ul style="list-style-type: none"> • Robert E. LeResche, "Social and Ethical Considerations in Conservation" (reproduction) • Grant Hazelwood, Resource Biologist, Northwood Pulp and Timber, "Fisheries Inventory - Driftwood River", 1981 (reproduction) • Grant Hazelwood, Resource Biologist, Northwood Pulp and Timber, "Effect of Cut Block Size on Streams", 1981 (reproduction) • David S. Shea, "A Wintertime Ecological Evaluation of the North Fork Flathead River Drainage, Glacier National Park", April 1976 (reproduction) • A.L. "The Southern Half of the Alaska Highway and its Mammals", 1943 (reproduction) • John P. Kelly, "Ecology of the Pine Marten (<i>Martes americana</i>) in North Central B.C.", 1977? (reproduction) • V. Geist, "On the Management of Large Mammals in National Parks" in Park News, July 1972 (reproduction)
2023.7.4.08	<p>Wildlife - Rare and Endangered Species, 1973-2001 [2 cm of textual records]</p> <p>File consists of records and textual material related to rare and endangered species (predominantly in British Columbia) collected by Grant Hazelwood. Highlights include:</p> <ul style="list-style-type: none"> • John Kelson for Kitamaat Village Council, "Investigation of Potential Marbled Murrelet Utilization of Lots 305 and 306", 1995 • Listings of rare and endangered species in British Columbia, various years • Robert Jacobsen, "Legal Aspects of Critical Habitat Determinations", 1978? • Grant Hazelwood and P.J. Bandy, "Wildlife Management Plan and Policy for Non-Game Species" (draft), 1973 • W. Grant Hazelwood, "Species of Management Concern on Kitsumkalum & Zymacord Drainages", Sept. 2001

2023.7.4.09	<p>Caribou, 1965-1982 [2 cm of textual records]</p> <p>File consists of records and textual material related to caribou (predominantly in British Columbia) collected by Grant Hazelwood. Highlights include:</p> <ul style="list-style-type: none"> • BC Ministry of Environment, "Woodland Caribou in the Thompson-Nicola Resource Region", June 1981 • R.W. Ritcey, "Caribou and Forest Management in British Columbia", Jan. 1974 • W.G.
